BUILDING FUTURES

“What the renderings don’t reveal is what’s going to happen when all of Cooke is united under one roof. As students, faculty and administrators walk through the same front door every morning, the Cooke community will come together in a way it hasn’t been able to do since its inception more than 30 years ago. What we are most excited about is the impact our new building will have on our students as it empowers everyone in the Cooke community to learn more, share more, interact more and achieve more.”

– DAGNALL FOLGER

A little change goes a long way!

Ways to participate:

- Send in your change to help increase the funds raised by the Cooke community.
- Spread the word! Encourage the people in your networks to #SupportCooke by donating their change to Cooke. Everyone can participate... every coin counts!

Annual Giving Campaign

Cooke's Annual Giving Campaign is the largest fundraising effort of the school year, enabling us to provide the expansive education and support our students need to reach their greatest potential. Every gift, no matter the amount, makes an impact and brings us closer to our goal.

The Annual Giving Campaign begins in October and runs throughout the school year. Annual Giving requests are mailed to Cooke families in the fall. (Please note: all gifts received by December 31 qualify as a tax-deductible contribution on your 2019 taxes.)

How to participate:

- Visit: www.cookeschool.org/donate to make a donation to our Annual Giving Campaign.
- Send a gift payable to: Cooke School
- Does your company have a matching gift program? Introduce them to Cooke! This is a perfect way to maximize your giving.
