

COOKE INSTITUTE

Professional Development Services for Teachers and School Leaders

OUR SERVICES: Teacher Coaching and Consulting

Cooke Institute partners with schools to achieve your student outcome goals. Our customized training plans are designed as individual sessions, small group in-service training sessions, or a combination of the two.

SPECIAL EDUCATION

Instruction and pedagogy focused on evidence-based approaches that elevate a culture of inclusion for students with disabilities to learn alongside their non-disabled peers.

PRE-KINDERGARTEN

A multi-faceted approach focused on the diverse range of cognitive skills, social emotional competencies, and behavioral needs of young children.

LITERACY

Instruction and pedagogy focused on evidence-based approaches to teach reading and writing that bring the diverse and unique learning needs of students to the forefront of planning and instruction.

MATH

Instruction and pedagogy focused on advancing mathematical knowledge, skills and concepts that bring the diverse and unique learning needs of students to the forefront of planning and instruction.

ALL OF OUR SERVICES ARE NOW OFFERED VIRTUALLY!

Our virtual 1:1 coaching or small group sessions optimize the use of technology as an instructional tool to foster online classroom learning environments that are supportive, engaging, and conducive to each child's unique circumstances while learning at home.

Professional Development Workshops

Cooke Institute offers a wide array of topics that are specially designed to meet the needs of educators within a professional learning cohort, region or district. Our workshops often serve to launch an initiative or topic, followed by classroom based sessions to support the transference of new knowledge and implementation of strategies.

OUR APPROACH

Our Mission fuels our passion for all students to have excellent and equitable teaching and learning, especially those students in underserved inner-city communities. We do whatever it takes to support teachers to differentiate, innovate, and adapt so that all students succeed.

Client Driven We pride ourselves on the long-lasting relationships we have with our partners. Our collaborative coaching process enables us to connect with educators in ways that build mutual trust, respect, and extreme passion for students' success which allows for meaningful adult learning to occur.

Data Driven Student strengths and needs guide every aspect of the coach-coachee collaboration. Specific focus areas and goals are grounded in student data and drive the coaching plan forward.

Outcomes We measure our outcomes by leveraging various sources of data to evaluate the effectiveness of the coaching engagement in achieving the expected outcomes.

TESTIMONIALS

"I really enjoyed having one-on-ones with our coach. Continuing the work we have done in the school building remotely made the transition a little easier. I know my staff was particularly happy about having our coach's time on group Zooms."

- Staten Island Principal

"It was an absolute pleasure to meet and work with our coach and the teachers and I have benefited from her guidance and knowledge. I hope we can team up again moving forward, on behalf of our team I want to say, Thank you very much! "

-Northwest South Bronx Education Director
