The following notices are included in this communication in this order:

- WHCRA Notice (Women's Health and Cancer Rights Act)
- CHIPRA Notice (Children's Health Insurance Program Reauthorization Act)
- Patient Protection Choice of Providers
- HIPAA Special Enrollment Rights Notice

NOTICE OF RIGHTS UNDER THE WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA)

Do you know that your plan, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy, including lymphedema? Contact your Employer Representative for more information.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits, under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductible and co-insurance particulars that are applicable to other medical and surgical benefits provided under this Plan. Cooke School and Institute has provided the detailed information regarding deductible and co-insurance for the Cooke School and Institute Group Health Plan. For more information or to get a copy of the Summary Plan Description containing these details contact your Employer Representative.

Premium Assistance under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number.

PATIENT PROTECTION CHOICE OF PROVIDERS

In cases where the Cooke School and Institute Group Health Plan allows or required a participant to designate a primary care provider, the participant has the right to designate any primary care provider who participates in the network and who is available to accept the participant or participant's family members.

Until you make this designation, Cooke School and Institute Group Health may designate a primary care provider automatically. For information on how to select a primary care provider, and for a list of the participating primary care providers, you can contact your Employer Representative.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Cooke School and Institute Group Health Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Employer Representative.

HIPAA SPECIAL ENROLLMENT RIGHTS NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact your Employer Representative.
